

ILCSWMA: Promoting Sound Solid Waste Management Choices by Illinois Communities

What is ILCSWMA?

In short, ILCSWMA is the voice for local government solid waste and recycling officials in Illinois. Established in 1993, the Illinois Counties Solid Waste Management Association is a not-for-profit professional association for local level solid waste management officials and other interested parties. ILCSWMA is dedicated to providing a forum for networking, training and information exchange. We cover all areas of local government solid waste involvement: Collection, Processing & Disposal; Recycling & Waste Prevention; Regulation & Enforcement; and Information & Education. The Association is proud to serve 80+ member organizations throughout the State. We keep your cost to join low, so your membership pays off quickly. Unlike many organizations, ILCSWMA provides quality training and conferences at prices that today's budgets can handle.

Visit

www.ilcswma.org
for more
information!

FULL MEMBER organizations include:

- Counties (solid waste agencies, health departments, planning departments, county boards, State's Attorneys)
- Municipalities (elected officials, sanitation managers, public works departments)
- Regional Planning Commissions
- Townships

AFFILIATE MEMBER organizations include:

- State agencies and organizations
- Consulting and Engineering firms
- Colleges and Universities
- Keep Illinois Beautiful affiliates
- Private Companies
- Community groups

Affiliate members get featured in our online "*Professional Services Directory*" at no additional cost! Also, the membership mailing list is only available to full and affiliate member organizations.

What are the Benefits of Joining ILCSWMA?

Periodic meetings held in each region provide members the opportunity to interact with each other and learn about the latest programs, activities and developments by way of updates, tours and featured speakers.

Illinois Solid Waste News, the bi-monthly ILCSWMA newsletter, provides members with timely and informative articles on solid waste management activities in Illinois.

Discounted registration fee for the Association's **18th Annual Conference**, to be held Sept. 22 & 23, 2010 at Starved Rock Lodge.

Legislative Updates to provide members with background on pending state legislation that could potentially impact their programs.

Workshops are conducted on various topics of interest to ILCSWMA members. Past workshops have focused on siting of pollution control facilities, solid waste enforcement, collecting unwanted medications, and reducing greenhouse gas emissions.

Plus, Much More!

Annual Membership Costs:

Full member organizations \$75

Affiliate member organization \$50

Membership is valid from Jan. 1 to Dec. 31 each year.

All employees of your organization are covered under one membership.
