Promoting Sustainable Solid Waste Management Choices by Illinois Communities

Promoting Sustainable Solid Waste Management Choices

A forum for networking, training and information exchange.

What is ILCSWMA?

The Illinois Counties Solid Waste Management Association (ILCSWMA) was established in 1993 as a not-for-profit organization for local level solid waste management officials and other interested parties. The Association is dedicated to providing a forum for networking, training and information exchange.

The areas of solid waste covered include:

- Collection
- Processing & Disposal
- Recycling and Waste Prevention
- Regulation & Enforcement
- Information & Education

ILCSWMA is proud to serve over 80 member organizations throughout the State. It is the Board's goal to provide quality programs and keep the membership fee affordable.
