Synopsis As Introduced

Amends the Public Utilities Act. Provides that an eligible renewable electrical generating facility includes a generator powered by agricultural residues, wood, landscape trimmings, or organic wastes. Requires a certain percentage of an electricity provider's power to come from biomass. Authorizes increases in the number and nameplate rating of customers who are eligible for net metering. Amends the Environmental Protection Act. Provides that landscape waste is not municipal waste. Extends the length of time that landscape waste may be held at a transfer station before the station must be regulated as a pollution control facility. Exempts lignocellulosic agricultural residues, organic landscape waste, and clean wood waste from regulation as waste. Exempts agricultural waste from certain groundwater rules. Requires the Agency to develop, and the Board to adopt, performance standards for landscape waste gasification facilities as well as testing procedures and standards for the end product produced by those facilities. Defines "flood proofed" for the purpose of a provision concerning local siting review. Makes other changes.

## Synopsis As Introduced

Amends the Environmental Protection Act; the Rivers, Lakes, and Streams Act; and the Livestock Management Act. Defines "100-year floodplain" as the lowland and relatively flat areas adjoining inland and coastal waters, including flood-prone areas of offshore islands, that are inundated by a flood that has a 1% or greater chance of recurring in any given year or a flood of a magnitude equalled or exceeded once in 100 years on the average over a significantly long period. Provides that areas that lie within an area protected by a levee or levees located in a flood prevention district established by the Flood Prevention District Act are deemed by operation of law not to be within the 100-year floodplain for the purposes of these Acts. Provides that to the extent that Executive Order 2006-5 is inconsistent with the provisions of this amendatory Act, the provisions of this amendatory Act shall govern. Effective immediately.

New Act

## Synopsis As Introduced

Creates the Mercury Thermostat Collection Act. Requires certain thermostat manufacturers, not later than October 1, 2011, to submit to the Illinois Environmental Protection Agency a plan that describes a collection and financial incentive program for mercury thermostats. Requires these manufacturers, no later than January 1, 2012, to implement the Agency-approved plan and to report certain information about their collection efforts by April 1, 2012 and April 1 of each year thereafter. Prohibits, beginning on April 1, 2011, a thermostat wholesaler from selling or distributing thermostats unless it acts as a collection site for thermostats that contain mercury, participates in an education and outreach program to educate consumers on the collection program for mercury thermostats, and meets other requirements. Provides that manufacturers, thermostat wholesalers, and thermostat retailers are subject to certain sales prohibitions beginning on April 1, 2011. Provides for public comment on manufacturer plans. Requires the Agency to post certain information on its website, conduct an educational program, and report certain information about the program to the legislature. Authorizes the Agency to modify manufacturer plans and conduct certain investigations. Defines "Agency", "Board", "out-of-service mercury thermostat", "person", "thermostat manufacturer", "thermostat retailer", and "thermostat wholesaler". Effective immediately.
